Date: June 8th. 2020

Dear Stakeholders,

Hope you and your family are in the best of health!

We hope you have benefitted from our webinars and strategized how to run business smoothly in new dynamics of business after Covid-19 scenario.

We wish to inform you, that we have reinitiated operations with all safety measures as guided by the Government. We know many of customers have faced losses due to this prolonged lockdown and are facing difficulty starting again. We have incorporated special schemes for our customers so that we can buffer the impact this has had on your pocket.

Kindly do keep yourself updated with our social media updates because we will update you on a regular basis on how to make use of this diversity as an opportunity.

Business dynamics have changed and so has the way to do business. But what remains constant at Chitra is our belief in our customers and our Motto, **“Making Your Business Profitable”**
