Date: November 14th. 2020

Dear Stakeholders,

Wish you a very Happy Diwali! May this Diwali fill your life with prosperity and growth.

This Diwali, I am so proud to share with you 2 great news at Chitra Metals.

1. Launch of Premium Range of Products

Over time we have our customers have given us custom orders of high end quality aluminium sections. Hence we have started a complete range of sections made out of World Class Aluminium raw material

2. Increased godown capacity by 3 times

This Diwali, we have increased our godown capacity 3 times from before considering an increase in demand after lockdown. Now we have a premise with under roof loading capacity for trucks, that will help us to work in unfavorable weather conditions.
